

Northern Lights 2012 Business & Cultural Showcase

Testimonials

"I am excited I had the opportunity to attend and participate in this exciting trade show and conference. Any opportunity to come together and give Canadians the chance to become better acquainted with what Canada's arctic and Inuit communities across the country have to offer will be beneficial as we move forward."

- *The Honourable Leona Aglukkaq, MP*
Nunavut
Minister Responsible for the North and Minister of Health

"Northern Lights is the premiere venue for understanding all that is happening in the Eastern Arctic and north of Canada. The efficiencies of meeting and networking with so many clients at a single location are invaluable to our company."

- *Perry Trimper, Senior Associate, Stantec-Jacques Whitford*
Happy Valley-Goose Bay, Labrador

"Attending [the Northern Lights show] allows the artist to interact with organizations that help fund these types of events, as well as to network with corporations and the public to promote their artwork and to further their professional careers."

- *Rowena House, Executive Director, Nunavut Arts and Crafts Association (NACA)*
Iqaluit, Nunavut

"It has been said that the Inuit art is the first and truest form of 'Canadian Art.' It is a form that is unique to the north and its people... events such as Northern Lights are beneficial as they open doors of opportunity."

- *David Forrest, Owner, TIVI Inc.*
Kuujuuaq, Nunavik, Quebec

"We have established relationships with the Government of Canada [and other departments]... Through our participation in Northern Lights, we will build relationships with the Baffin Island business community and Nunavut in general."

- *Bob Cadigan, President and CEO, Newfoundland and Labrador*
Oil & Gas Association (NOIA)
St. John's, Newfoundland
